

BCMA

GOLDEN ANNIVERSARY
SERVICE AWARDS

*Recognizing excellence on the occasion of the
BCMA's 50th Anniversary*

British Columbia
Museums Association

Throughout its history, the BC Museums Association has benefited from the fortunate affiliation of people who care deeply about BC's art, history and culture, and who have participated in the Province's and the BCMA's development with passion, commitment and outrageous fun.

The 50th Golden Anniversary Service Awards recognize, honor and celebrate distinguished and sustained service to the arts and heritage sector with an emphasis on service to the BCMA (direct or indirect). These individuals, stood up, made a difference and defined the practice of museums as we know it today. Their legacies stand as an inspiration to us all.

There are many worthy individuals for consideration for the 50th Anniversary Awards. In this first year, the Advisory Committee chose those whose depth of achievement and sustained commitment was unparalleled.
